shall be retained by the owner for 3 years.

(6) If the owner determines that an applicant is not eligible, or, if eligible, not selected, the owner must notify the applicant in writing of the determination, the reasons upon which the determination is made, and inform the applicant that the applicant has the right within a reasonable time (specified in the letter) to request an informal hearing if the applicant believes that the owner's determination is based on erroneous information. The procedures of this paragraph (b)(6) do not preclude an applicant from exercising his or her other rights if the applicant believes that he or she is being discriminated against on the basis of race, color, religion, sex, national origin, age, or handicap. The owner must retain for three years a copy of the application, the letter, the applicant's response, if any, the record of any informal hearing, and a statement of final disposition. The informal review provisions for the denial of a tenant selection preference under § 886.337 are contained in paragraph (k) of that section.

(7) For the informal hearing provisions related to denial of assistance based upon failure to establish citizenship or eligible immigration status, see part 5 of this title for provisions concerning certain assistance for mixed families (families whose members include those with eligible immigration status, and those without eligible immigration status) in lieu of denial of assistance.

(c) *Initial occupancy.* (1) Where rehabilitation is involved, sixty days prior to the completion of the rehabilitation, or when the rehabilitation is begun, whichever is later, the Owner shall determine whether the tenant population of the project generally reflects the racial/ethnic makeup of the housing market area. Based on this determination, the Owner shall then conduct appropriate marketing activities in accordance with a HUD-approved Affirmative Fair Housing Marketing Plan. Such activities may include special outreach to those groups identified as not ordinarily expected to apply for these units without special outreach; notification to PHA's in the housing market area of any anticipated vacancies; and formu-

lation of waiting lists based on the Owner's HUD-approved tenant selection factors.

(2) Where a PHA is notified, the PHA shall notify an appropriate size family (families) on its waiting list of the availability of the unit and refer the family (families) to the owner. (Since the Owner is responsible for tenant selection, the owner is not required to lease to a PHA selected family, but the owner must comply with § 886.321(b)(6).)

## § 886.322 [Reserved]

## § 886.323 Maintenance, operation, and inspections.

(a) *Maintain decent, safe, and sanitary housing.* The owner shall maintain and operate the project so as to provide decent, safe, and sanitary housing and the owner shall provide all the services, maintenance, and utilities which he or she agrees to provide under the contract and the lease. Failure to do so shall be considered a material default under the contract and Regulatory Agreement, if any.

(b) *HUD inspection.* Prior to execution of the contract, HUD shall inspect (or cause to be inspected) each proposed contract unit and related facilities to ensure that they are in decent, safe, and sanitary condition.

(c) *Owner and family inspection.* Prior to occupancy of any vacant unit by a family, the owner and the family shall inspect the unit and both shall certify that they have inspected the unit and have determined it to be decent, safe, and sanitary. Copies of these reports shall be kept on file by the owner for at least 3 years.

(d) *Annual inspections.* HUD will inspect the project (or cause it to be inspected) at least annually and at such other times as HUD may determine to be necessary to assure that the owner is meeting his or her obligation to maintain the units and the related facilities in decent, safe, and sanitary condition and to provide the agreed-upon utilities and other services. HUD will take into account complaints by
